About us

Omega Healthcare helps payers, providers, and pharmaceutical companies increase efficiencies, accelerate cash flow, and reduce health management costs while enhancing patient care. Our technology-enabled services and solutions streamline medical billing, coding, and collections processes and offer telephone and message triage services to provide industry-leading, comprehensive and scalable outsourced revenue cycle management solutions. Combining the largest medical coding staff in the world with proprietary technology, analytics, and automation capabilities, Omega is ranked among the top tech-enabled revenue cycle management business process services by industry analysts. The company, backed by Goldman Sachs Merchant Banking and Everstone Group, was founded in 2003 and has more than 27,000 employees across India, the Philippines, and the United States. For more information, visit <https://www.omegahms.com/>
