PLACEMEIN

Job Description – Full Stack Developer Intern

Placemein is a recruitment and talent solutions company bridging talent with opportunity. Placemein partners with organizations across industries to identify, screen, and place the right candidates by managing end-to-end hiring processes and supporting workforce growth.

Job Title	Full Stack Developer Intern
Department	Technology / Engineering
Internship Type	On-site Full-time Internship
Location	Hyderabad, Telangana
Salary Range	₹20,000 per Month

Job Summary:

We are looking for a motivated Full Stack Developer Intern to work on building and maintaining web applications. You will collaborate with cross-functional teams to design, develop, test, and deploy scalable and user-friendly applications while gaining hands-on experience in modern technologies.

Roles & Responsibilities:

- Design, develop, and maintain responsive web applications
- Develop and integrate front-end components with back-end services
- Build and consume RESTful APIs
- Write clean, efficient, and reusable code
- Debug, test, and optimize applications
- Collaborate with designers, developers, and product teams
- Participate in code reviews and agile development processes

Eligibility Criteria:

- Students pursuing or recently completed B.Tech / M.Tech / B.Sc / M.Sc in Computer Science, IT, or related fields
- Strong interest in web development and programming
- Good problem-solving skills and logical thinking
- Willingness to learn and stay updated with new technologies

Skills Required:

- Proficiency in front-end: HTML, CSS, JavaScript, React / Angular / Vue.js
- Proficiency in back-end: Node.js / Python / Java / .NET (any one)
- Knowledge of databases: MySQL / PostgreSQL / MongoDB
- Understanding of REST APIs and version control (Git)
- Good communication and teamwork skills

Benefits:

- Hands-on experience in full stack development
- Work on real-time projects and modern technologies
- Internship Certificate upon successful completion
- Opportunity for Pre-Placement Offer (PPO) based on performance
