ORIENTATION COURSE

47th Orientation programme from 08-05-2017 to 03-06-2017 with Grade A

Presentations in International Conferences:

- Presented paper entitled SELF HEALING MATERIALS: A NEW ERA IN MATERIAL TECHNOLOGY at National conference on Emerging Trends In Engineering and Technology in December 2016.
- Presented paper entitled SYNTHESIS AND CHARACTERIZATION OF SCHIFFSBASE COMPLEXES at National conference on Emerging Trends In Engineering and Technology in December 2016.

Participation in Workshops / Conferences:

- One Day National Seminar on Single Use Plastic concerns and alternatives on 25-02-2023
- International webinar on Breaking Barriers in Science on 14-02-2023
- International Short-term training on Greener Living from 1-02-2023 to 07-02-2023
- Trend setting innovations in chemical sciences and technology at JNTUH 04 TO 06 October 2016.
- Two Day National seminar on Innovations and developments in emerging research trends of chemical science and technology from 29.12.2016 to 30-12-2016
- Participated in the work shop on Engineering Materials on 25th January, 2014 at Vasavi college of Engineering Hyderabad.
- Participated in National symposium On Role of Chemistry in Advanced Engineering Materials On 26-27th, July 2013 at Vasavi College Engineering. Hyderabad.

Faculty development programs attended:

- Participated and completed 5 day online Faculty Development Program on the theme “Inculcating Universal Human Values in Technical Education” organized by AICTE 26-30 JULY 2021.
- Improving Teaching Learning Experience using best practices 15-19 June 2020
- Three Day FDP on modeling simulation and optimization of chemical processes at Anurag Engineering college from 17-19 Nov 2016.
- Participated in Faculty Development Program On 5th November. 2015 at IICT Hyderabad.
- Participated in Faculty Development Program On 28th, November. 2013 at IICT Hyderabad.
