## About the Institute

Sphoorthy Engineering College was established in 2004, has been excelling in research and entrepreneurship ever since its inception. In the last two decades, it has given hundreds of engineers and leaders to the nation. It is well known for its innovative spirit, intensive research and hands-on approach to solve real world problems, producing skilful engineers who are well received by industry and academia.

## COURSES OFFERED

B.Tech	CSE - Computer Science & Engineering
	CSM - (CSE) Artificial Intelligence & Machine Learning
	CSD - (CSE) Data Science
	CSC - (CSE) Cyber Security
	ECE - Electronics & Communications Engineering
M.Tech	CIV - Civil Engineering
	CSE - Computer Science & Engineering
	CSM - (CSE) Artificial Intelligence & Machine Learning

## Rankings & Recognitions

Approved by  
AICTE, New Delhi

Affiliated to  
JNTU, Hyderabad.

👉 **12<sup>th</sup>** Rank in Telangana & A.P.(Times of India survey)

👉 **8<sup>th</sup>** Rank in Research Capabilities (Times of India survey)

## Importance of the FDP

This FDP is structured to impart a deep understanding of the significance and practical application of universal human values across various facets of life. It emphasizes the promotion of ethics and morality, the enhancement of interpersonal relationships, the cultivation of a cohesive society, and the contribution to global peace and harmony. Additionally, it focuses on fostering personal development and addressing contemporary challenges. Universal Human Values FDPs are instrumental in nurturing professionals who not only excel in their career but also make meaningful contributions to their communities and the world at large. This program will equip participants with the skills to mentor students effectively, guiding them towards developing a holistic and well-rounded vision of life.

## Objectives of the FDP

1. Cultivate a holistic vision of life.
2. Foster socially responsible behavior.
3. Promote environmentally sustainable practices.
4. Uphold ethical standards in all aspects of life.
5. Develop competence and capabilities for maintaining health and hygiene.
6. Instill a deep appreciation for excellence and nurture a sense of gratitude.

## Outcomes of this FDP

1. Participants will gain enhanced self-awareness and a better understanding of their environment, including family, society, and nature.
2. They will become more responsible, addressing challenges with sustainable, relationship-focused solutions.
3. Participants will be able to effectively apply their learning to everyday real-life situations.

## Resource Person

### Mrs. Nidhi Chirag Sachade

Assistant Professor

Shivajirao Jondhale College of Engineering

Dombivli, Maharashtra, Ph: 9271438132

E-Mail: nidhirupareluhv@gmail.com

## Co-Facilitator

### Dr. G. Prasanthi

Director, Faculty Development Center

Professor of Mechanical Engineering

JNTUA, Ananthapuramu, AP

Ph: 9849863466

prasanthi.mech@jntua.ac.in

## Observer

### Dr. Ishrat Meera Mirzana

Professor of Mechanical Engineering

MJCET, Hyderabad, TG

Ph: 9014876704

ishrat.mirzana@gmail.com

## Requirements for AICTE Certificate of Participation

- ♦ Attendance in all sessions is essential due to the integrated nature of these FDPs
- ♦ Completion of all assignments, including pre and post-survey assignments of the FDP.
